The Registrar,

Jawaharlal Nehru Technological University Anantapuramu,

Anantapuramu - 515002,

Andhra Pradesh, India.

Respected Sir,

SUB: Balaji College of Pharmacy - Request to add the new courses as part of JNTUA curriculum for the academic year of - 2021-2022 - for enhancement of employment opportunities for students - Reg.

I would like to draw your attention to the following matter for your consideration and potential action by the relevant Board of Studies.

I would like to highlight the issue that Pharmacy graduates are facing challenges in securing suitable employment opportunities despite the earnest efforts made by colleges and the university. Despite the collective endeavours of institutions, the university, and industry stakeholders, the desired outcomes remain elusive. Collaborative efforts from all parties involved would likely yield more fruitful results. Therefore, it is suggested that the university consider taking the initiative to introduce new subjects (Optional) of

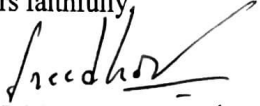

1. Cosmetic Science 2. Principles of Quality Assurance

I hope you would consider my request and take initiative introducing the above-mentioned subject as part of JNTUA curriculum by forwarding to the Balaji College of Pharmacy, JNTUA, Anantapuramu.

Thanking you Sir,

PRINCIPAL
Balaji College of Pharmacy
