Sub: B.PHARM R23 Syllabus – Continue Non University Exams as per R19 Regulations- Req. Reg

Respected sir,

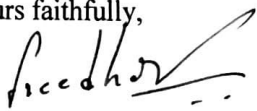

In connection with JNTUA B.Pharm R23 regulations, we are requesting JNTUA authorities to consider revising the University Examinations for the subjects Remedial mathematics, Remedial Biology Theory & Lab, Communication skills Theory & Lab (I Year - 1Sem) and Environmental Sciences, Computer Applications in Pharmacy Theory & Lab (I Year- II Semester) as Non-University Examinations as per Education Regulations of B.Pharmacy course framed under 6,7,8 of the Bachelor of Pharmacy course regulations, 2014 published in Gazette of India as per Pharmacy Act 1948 by Pharmacy Council of India and also JNTUA B.Pharm R19 Regulations.

Implementing the University Exam pattern for these courses may impact burden the students and also on the detention system for promotions to the next three years of course. Hence on behalf of our students, we request the JNTUA Authorities to review this issue and revise the exam pattern as the first semester end examinations.

Thanking you sir,

Yours faithfully,

PRINCIPAL
