## Training and Placement Policy

### Objectives:

- ✓ The Placement Cell endeavors to become a link between the job seekers [i.e. students] and job providers [i.e. companies/corporate] by building up their capacity and networking with Industries.
- ✓ Building a strong network among the corporate & institute for placements.
- ✓ Become the preferred choice of Employers with reference to Campus Recruitments.
- ✓ Provide equal employment opportunities for all the students.
- ✓ To ensure sustainable employment for all our students.

### Registration:

1. Before getting registered with the Training and Placement cell it is mandatory for all the 6<sup>th</sup> semester students to attend the First Placement Orientation Session of T&P. Absentees will not be allowed to get registered with the T&P cell.
2. All the 6<sup>th</sup> semester students of all B.Pharmacy and 5<sup>th</sup> year Students of Pharm.D are required to get registered with Department of Training and Placement as per the schedule declared and as per the Instructions issued during the First Placement Orientation Session of T&P.
3. After registration a student can switch over their option once (to opt out of placement or interchange of option) before the 1<sup>st</sup> company visit. No request of change of option will be entertained after the 1<sup>st</sup> campus placement drive.
4. Student who wishes to appear for a particular campus placement drive must register with T & P Cell for the drive. The registration would imply that the student has verified by himself/herself and has consented to the company profile, job profile, terms & conditions, package, bond & eligibility criteria. After registration, if student fails to turn up for the drive, he/she will not be considered for future placements.

## **Eligibility Criteria for Placement Assistance:**

1. Eligibility criteria will be as per the norms of the company providing placement opportunity.
2. Pre-requisite for Placement: -
  - a) Campus Recruitment Training (CRT) Completion with minimum 80% attendance. Exemption to CRT will be granted to only those students who opt for 4-8 weeks industrial or hospital training in an industry or hospital of repute with prior permission of TPO.
  - b) Academic Attendance of 80% on the date of campus placement drive is mandatory for every student in final year to appear in the campus placement drive of any company.
3. Students must update their record in T&P Cell after declaration of result (backlogs only). This is very important because it is possible that the companies may reject the candidature of a student in case of incomplete data.

## **Directive Principles, Rules and Regulations:**

1. Placement Cell will strive hard to provide placement opportunity to all its eligible and interested students of Final Year.
2. In order to achieve its placement objectives, the Training Cell shall organize various training programmes, Guest lectures, seminars, workshops, internship and other allied activities in addition to other similar academic/ non-academic activities for ensuring employability of its students.
3. The Placement cell shall also strive hard to invite various reputed Companies/ Organizations for recruitment/ placement of its students in the field of their specializations.
4. It will be the endeavor of each student to co-operate with the Placement cell and to appear for opportunities offered for their Placement.
5. Any student having a job —offer in hand will not be allowed to appear for any further placement opportunities unless and until all the eligible and interested students get one

job-offer each in their hand. However students will be given chances of upgrading their placements offers if the subsequent company/organization has been conferred with a "Dream Status" or "Core Company" status by the Institute.

- The Institute may offer a "**Dream Status**" to any reputed company/organization/hospital which has a very strong brand equity &/or is offering a very high salary package.
  - "**Core Company Status**" will be given to only those companies whose operations are in the core sector of any of the pharmaceutical branches.
  - "Dream Status" /"Core Company Status" will be granted to a particular company by the TPO.
6. Once a student is enrolled with T & P Cell & if he/she fails to appear in any of the campus (in house/pooled/any other) drive of any company without submitting a written application with justified reason and document's will not be eligible to appear for the next 3 consecutive campus placement drive. Habitual absenteeism will not be entertained (Even if it includes the DREAM or CORE COMPANY).
  7. It will be mandatory for all the students registered with T&P to appear for all the campus placement drive termed as "Mandatory" by the Training and Placement Cell irrespective of the type of company. The "Mandatory" status to any particular company will be provided by the TPO. Any student skipping any "Mandatory" status campus recruitment drive without a justified reason and advance information will be detained from any further campus placement drive.
  8. Once all eligible students secure one job-offer each, the students would be allowed to appear for all the further Companies visiting for placement (inclusive of all types of campuses).
  9. If a selected student in any company through the campus placement drive fails to join the company without any justified reason, he/she will not get clearance from the T&P Cell.
  10. A notice of Placement Process once fixed will be communicated through E-mail or SMS to all the eligible students for that particular campus placement drive.

- It is important that all students must regularly check their E-Mail & SMS for getting information on Placement related activities.
  - It will be students own responsibility to get updated on placement related processes and activities. (In case of any query student can visit to T & P Cell)
  - Every student who enrolls with T & P Cell and who has opted for "Campus Placement" in the registration form will be eligible (as per company's eligibility criteria) for all the Companies offering Placement.
11. No preference related to Place of work will be entertained.
  12. Students those who do not enroll with the T & P Cell, shall not be allowed to take part in the placement process under any circumstances later.
  13. The students must think well before enrolling with T&P and then act accordingly i.e. enrolling with T & P is an act of expressing your desire and confirmation to join the organization on its terms and conditions, if selected. In order to maintain the institute's commitment to the organization, students will have to join the company from which they have received the offer letter. They will not be allowed to reject an offer at a later stage as per the policy already specified and decided by the authority. It should be noted, that students represent their personal commitment and the institute's commitment by such positive action.
  14. Adherence to time must be taken into strictly consideration.
  15. Dress code is STRICTLY FORMALS. Those who don't follow the dress code will not be considered for placements.
  16. Individual details and Academics details must be updated on regular intervals by students to Training & Placement coordinators.
  17. Students are not authorized to communicate with the companies in any individual capacity when company visits our college for placement. Any corporate interaction by any student at any stage before and after selection must be carried out in consultation with TPO.
